Cub Pack 652 Newsletter  
St. Basil the Great, Brecksville, Ohio

## Pack Caroling Event

It is almost time for our annual holiday caroling event. In the true nature of Scouting, Pack 652 will visit The Oakes of Brecksville for an hour of singing and spreading good cheer.

Siblings and Troop 652 Scouts are also welcome.

Scouts should wear full Class A uniforms which they are welcome to adorn with some holiday flare.

The song list will be provided in the days just prior to this event.

## Aquatics Day

Saturday, January 3<sup>rd</sup> is Aquatics Day. This event will take place 11:00 AM to 1:00 PM at the Brecksville Community Center. This event is included in your Pack dues.

During the first hour scouts will work in their dens to review basic water safety according to their age level and corresponding adventure requirements. Siblings are asked to stay out of the pool during this time.

In the second hour, scouts, along with their siblings and parents, will be invited for free swim and will be invited to play and use the water slides. Pack 652 will have private access to the pool until 1:00 PM, at which time the pack event will be concluded and the pool will be open to all community center members and their guests. Families are free to stay longer should they desire.

## Scouting America Dues

A large portion of Scouts have their national BSA registration expiring in December. Be sure to check at [my.scouting.org](http://my.scouting.org) that your annual Scouting America registration has been paid. These are separate from your pack dues and reoccur on the anniversary of your initial signup. This fee covers national-level administrative costs, as well as insurance coverage.

## Den Highlights

What has everyone been doing during their den meetings? Each den has been having their own unique adventures...

**Lions** - Our kindergarteners did their Lion's Roar adventure where the scouts learned about safety. The Lions practiced calling 911 and they practiced how to cross streets and parking lots.

**Bears** - The Bears are working on our citizenship adventure. As participation in a service project some of them are planning to do a caravan out to Wingfoot Lake to drop off toys for the annual Goodyear/USMC Toys for Tots drive.

**Webelos** - Our 4<sup>th</sup> graders learned about ways to relax and even made their own stress balls with balloon and dried beans. They also learned about threatened and endangered species and are each preparing to present to the group regarding way we can protect specific threatened and endangered animals.

**Arrow of Lights** - AOLs finished making their patrol flag for their Even Eagles patrol. They did some housekeeping by finishing up some requirements for multiple adventures.

## A Scout is... REVERENT

Reverence is having love and respect for others. It can mean having appropriate behavior at a flag ceremony, during a visit to a museum, or visiting a sick friend at the hospital. It means showing good behavior even during a family celebration and being respectful during times of fun and play.

It is important to understand that different situations require different behaviors. How you act at recess is not the same way you would act inside your classroom. While running and yelling might be okay at the park, it is not how we behave when visiting a parent at work or eating at a restaurant.

Reverence also means belief in a higher power outside of yourself. Whether that power is an all might God, a singular essence shared among all living beings, or something else entirely, this belief will help guide your decisions and inspire you to live more meaningfully. Whatever your beliefs, we continue to love and respect others, even if their beliefs might be different from our own.
