## Den Highlights

What has everyone been doing during their den meetings? Each den has been having their own unique adventures...

**Lions** - The Lions completed their Race Time adventure ahead of the Pinewood Derby during a joint meeting with the AOLs, who served as mentors. They also finished the King of the Jungle adventure, learning what a community is and exploring ways they can help and support their community.

**Webelos** - The Webelos den worked on their “My Safety” adventure, learning about being safe around the home and being prepared for natural disasters. They also completed the “My Race Time” adventure.

**Arrow of Lights** - The AOLs completed their Race Time adventure while serving as mentors to the Lions. They also wrapped up their Citizenship adventure and completed the Champions for Nature adventure.

**Families** - don't forget to work with your Scout to complete their at home requirements...

- Bobcat Adventure: activities in the booklet “How to Protect Your Children from Child Abuse: A Parent’s Guide.”
- Family/Religion Adventure

Once completed, please let your Den Leader know so your Scout’s profile can be updated. These are required adventures for ranking up in May. Please reach out to leadership with questions.

## A Scout is... LOYAL

Loyalty is the feeling of strong affection or faithfulness we have toward our family, friends, country, or causes in which we believe.

This means we keep our promises and that we do what we say. We take care of the people we love and stand up for the people we care about. We support their decisions and show them love and respect, even when we disagree with them. We don't have to like or believe in all the same things to be loyal to someone (we can support different sports teams or like different subjects at school).

When you are loyal, people feel they can trust you and that you won't betray them – even if you disagree with them. If you're loyal to another person and trust them, you can talk to each other about your differences and develop a deeper understanding of that person and create an even stronger relationship.
